

ESSER Grant Close Out Workshop- November 30

TASBO is so excited to roll out a **NEW ESSER Grant Close-out Workshop!** The ESSER Compliance Workshops offered during the last 2 years included an overview of the ESSER funding sources, program requirements and how to prepare for compliance reviews. Now that ESSER grant funds will end in 2024, it's time to shift our focus to the many issues related to the close-out of the ESSER grants.

This **NEW** workshop will address many important topics such as an overview of end-of-grant activities such as the inevitable funding cliff, disposal of assets and residual supplies, records retention, and so much more. Attendees will have several hands-on and engagement opportunities to develop a process to close-out ESSER grants in their LEA.
