Simplified ESSER Annual Reporting: A Game-Changing Tool!

TEA has launched the USDE Year Four ESSER Annual Performance Data Collection Tool! Does gathering all of the required data seem overwhelming? Are you struggling to aggregate the data in a meaningful way to complete the reporting in TEA’s SmartSheet? We are here to help with a game-changing tool! The tool was created to aid District’s in compiling data in a meaningful way that will assist with accurate, efficient, and timely reporting to TEA regarding ESSER activities during the 2022-2023 Fiscal Year. During this webinar we will walk step-by-step through the tool and show LEA staff (ESSER Grant/Program Management, Administration/Leadership, Business/Finance) how to collaborate and aggregate the data to complete the ESSER reporting requirements. Don’t forget the reporting deadline is February 16, 2024.
