

Award of Excellence in Financial Management (AOE)

Full Certification

The TASBO Award of Excellence in Financial Management is open to all Texas school districts, open-enrollment charter schools, and education service centers regardless of their size and will be presented annually.

- The deadline for applications is Monday, December 2 at noon. Applications received after that day will not receive consideration and entities will be notified.
- Upon receipt of the application, TASBO will send a link to a portal to upload documents for review by the review committee. TASBO staff does not monitor the completeness of a submission. Please ensure that you review the application thoroughly and upload the required documents by the due date of the application.
