Ed-Fi API: The Future of PEIMS

Are you curious about Ed-Fi and how it will impact you? Maybe you are concerned about how different it will be between new and old systems. This session will include a live demonstration, lessons learned, and steps to follow for Parallel LEAs. Presenters will also highlight similarities and differences between systems to prepare all for the future of Ed-Fi.

Kimberly Domke, RTSBA

*PEIMS Manager
Arlington ISD*
